We hope this finds you well. The devastation from last weekend's windstorm is frightening. Our thoughts are with everyone, most especially those without shelter or electricity. Please stay safe.

Please click [here](#) find DA Davidson's annual report and [here](#) for Davidson Trust Company's Trends for 2024. Some highlights include the impact of new drugs ranging from weight loss to targeted chemotherapy, how AI may change the world and the potential of immortality (!). This is one of my favorite pieces from DA Davidson.

As always, if you have any questions or concerns, do not hesitate to contact us.
